

Academic Regulations, Code of Conduct & Fee Structure

Academic & Curriculum Framework:

Follows Anna University academic frameworks (Regulation 2021 and Regulation 2017).

Major programs like CSE and ECE maintain NBA accreditation standards.

Tuition Fee Structure (Per Year):

UG Courses:

Computer Science and Engineering (CSE): Rs. 60,000

Electronics & Communication Engineering (ECE): Rs. 45,000

Electrical and Electronics Engineering (EEE): Rs. 30,000

Mechanical Engineering (MECH): Rs. 25,000

Civil Engineering (CIVIL): Rs. 25,000

PG Courses:

Master of Business Administration (MBA): Rs. 40,000

Master of Computer Applications (MCA): Rs. 40,000

Master of Engineering (ME Courses): Rs. 15,000

Code of Conduct & Campus Rules:

Prohibited Actions: Smoking, chewing gum, and using intoxicating drugs or drinks are strictly banned. Substance use leads to immediate dismissal.

Political Activity: Students cannot participate in political or communal activities inside the campus.

Property Care: Damaging college furniture or property leads to strict disciplinary penalties.

Notices: Displaying unauthorized notices is forbidden; students must check notice boards daily.

Admission & Fee Regulations:

Admissions: Undergraduate admissions follow TNEA single-window counseling for government quotas and designated tests for management seats.

Fee Payments: Tuition fees must be paid in full by due dates set by the Principal. Late payments attract fines, and defaulters risk name removal from rolls.
