

COLLEGE ACADEMIC REGULATIONS

1. Students must maintain the minimum attendance percentage prescribed by the university and college.
2. Students must carry their college identity card while entering the campus.
3. Students should attend classes regularly and maintain proper discipline.
4. Students must submit assignments and laboratory records before the deadlines given by faculty members.
5. Students appearing for examinations must carry their valid college identity card and examination hall ticket.
6. Mobile phones should not be used during classes, laboratory sessions, or examinations unless permitted by the faculty.
7. Students must follow laboratory safety rules and instructions given by laboratory staff.
8. Students must obtain proper permission before participating in external events during college working hours.
9. Students requesting On-Duty permission should submit the required documents and obtain approval from the concerned faculty.
10. Students must follow the examination rules and regulations issued by the college and university.
11. Misconduct during examinations may result in disciplinary action according to college regulations.

12. Students should maintain proper behavior and respect faculty members, staff, and fellow students.

13. Students must use college facilities responsibly and avoid damaging college property.

14. Any changes to academic regulations will be communicated through official college notices.
